Keenan To Run Again For House

Gov. Dever To Appear On Sunday

Governor Paul A. Dever will be the guest speaker at the St. James Holy Name Society Communion Breakfast which will be held at the Robbins Memorial Town Hall, Sunday, April 16, 1950.

In addition to his Excellency, the Governor, there will be some distinguished and invited guests.

Rev. Father Maurice J. O'Connor will be presented a purse of \$1000, which will be used to furnish a new class room in the St. James Parochial School.

All reservations have been sold, and admittance will be by tickets only.

Legion Plans Neighborhood Night Event

A Neighborhood Night will be held by the American Legion Auxiliary of Arlington Post 39, Monday night at 8 p.m. in Legion Hall. A very interesting evening is planned and everyone is welcome. Mrs. Anna Buckley is chairman. The same night initiation of members will be held and Mrs. Gladys Kiely, president, invites all members who have not been initiated to be present. Unit officers will conduct the initiation under the supervision of Anna Buckley.

A Whist and Bridge party will be held at the home of Mrs. Rose Forest at 12 Lewis avenue on Thursday night, April 20 at 8 p.m. Mrs. Lillian Buckley is chairman and Grace Lax is co-chairman.

On April 21 a Rummage Sale will be held in one of the stores on Medford st., next to the Regent theatre. Helen Dohill, past pres. is in charge.

Square Dance During Holiday

Added to the many activities planned to celebrate our 175th Anniversary of Patriot's Day is a Square Dance to be held at the Junior High East on Thursday, April 20, 1950 at 8:00 p.m. This was announced yesterday by the Board of Park Commissioners.

Dick Delrey will be the caller at this dance with music provided by his newly formed Square Dance Band. Many old time Squares and Contrasts are planned in conjunction with the Patriot's Day celebration.

An instruction program from 8:00 p.m. to 8:30 p.m. will be followed by regular Square Dance. Admission will be 60c tax included.

Menotomy 1775

(Indian name for Arlington)

It was not only at Concord Bridge
Nor yet at Lexington Green,
That Herces showed on that April Day,
When patriots stood between
A monarch's greed and the freeman's right
Devised from the sire to the son:
Menotomy, too, had part in the fray,
And grief when the day was done.

Menotomy's plain was a field of war,
When the enemy came in retreat,
And the red-coat toll which her townsmen took
Had a place in a king's defeat;
And the lives which her townsmen gave that day,
Were theirs to withhold or give,
They craved no praise, but to us it falls
To see that their fame shall live.

We pluck no leaf from another's wreath,
Deduct no word from his due;
But our own are our own, and we ask that they
Shall share in the honor, too;
When the battlefields of that day are named,
Remember that there are three:
Lexington Green, and the Concord Bridge
And the Plain of Menotomy.

Pageant, Parade, And Ball To Highlight 175th Anniversary

Issue Holiday Parking Rules

Parking regulations during the Patriot's Day celebration, April 19, 1950, are as follows:

NO PARKING on either side of Mass ave., between Linwood street and Park avenue from 8:00 a.m. to 12:30 p.m.

ALL TRAFFIC will be excluded from Mass avenue, between Franklin street and Park avenue from 9:30 a.m. to 12:30 p.m.

After the parade is over, the above restrictions will be cancelled. BAND CONCERT & FIREWORKS

PARKING on one side ONLY will be allowed on all streets immediately adjacent to Spy Pond Field, with the exception of Pond Lane. There will be NO PARKING on either side of Pond Lane.

Named Trustee

The office of the Town Selectmen announced the appointment of Mrs. E. Warren Heaps Jr., 35 Bonad rd., Arlington, as library trustee.

Mrs. Heaps will take the place of Edmund Frost who recently resigned from this position.

Mrs. Heaps, a trained librarian, is a graduate of Simmons Library School. She served at the Fitchburg Library, and also at the Robbins Library here, where she was head of the Circulation Department for over three years.

A resident of Barnard road, Mrs. Heaps is President of the Brackett P. T. A. She also was chairman of the Book Fair at the Brackett School.

Mrs. John Miller and her son, John Miller III are visiting her parents, the Mrs. Joseph P. Scully, 50 Norcross st., Arlington.

Mrs. Miller is planning on spending a two week vacation here.

U. S. Marine Band Concert Tuesday At High School

Military Ball Tickets Selling

Tickets for the military ball, the social highlight of the year, which will be held at the Robbins Memorial Town Hall on the eve of Patriot's Day, are now on sale.

The ball promises to be one of the most colorful affairs of many a year and although not strictly formal it is expected that the majority of people will attend in evening clothes.

Tickets are now available at the central Fire Headquarters, the Treasurer Chest, at the office of Henry E. Keenan or from members of the ball committee; attorney Lawrence E. Corcoran, chairman; Mrs. John Sampson, Mrs. Kenneth Troy, Captain Robert J. Mahoney and John Thompson.

The evening's festivities will open with a band concert at the Warren A. Pierce Field, or in case of inclement weather in the George H. Lowe Auditorium of the High School, by the United States Marine Band, who have been sent here by a special act of Congress to participate in the 175th anniversary celebration of this day.

Following the concert the bandmen will be invited to join Arlingtonians in dancing to the music of Ruby Newman's orchestra at the Town Hall. It is also hoped that the band might play a few numbers during the intermission.

The various dancing schools of the Town will provide entertainment throughout the evening.

Russell House Open Next Week

The Jason Russell House, the most interesting house in Arlington associated with the events of April 19, 1775, will be open to visitors during the 175th anniversary observance of Patriot's Day. The schedule follows:

Sunday, April 16, from 3 to 5 p.m.; Monday and Tuesday, April 17 and 18, from 2 to 5 p.m.; Wednesday, April 19 from 10:00 a.m. to 1 p.m. and from 3 to 5 p.m.

The Arlington Historical Society acquired the house in 1923 and restored it so that it is now substantially in the same condition as in the days of the Revolution. Originally, it stood on Massachusetts ave., but it was later moved to 7 Jason st., just around the corner from the avenue. It is a good example of the dwellings of a well-to-do farmer of the 18 century, and with its collection of relics of old times, it is well worth a visit during the next week's observance.

TO PLAY TRUMPET

Carmen Luongo, of 376 Winchester street, has been selected to play trumpet with the "Brass Choir", which will be a highlight of the "Montage of Modern Music" concert to be conducted by te Schillingtr House School of Music, Sunday, April 30, at John Hancock Hall Boston.

The four day \$8000 celebration, commemorating the 175th anniversary of the ride of "Paul Revere" will get underway Sunday morning with services in all of Arlington's churches. The committee has promised a gala time for everyone, with a pageant, a concert by the United States Marine Band, a formal Military Ball, a re-enacting of the midnight ride of Paul Revere a three hour parade and a \$1200 fireworks display.

The motto, which will be upheld for the four days, is the same as that of the Town "The Defense of Liberty is Our Ancestral Heritage". With this in mind, Sunday April 16, all Churches will give their services asking for a blessing for the Town on the 175th anniversary of its battle for freedom. Sunday afternoon, the pageant "Menotomy", April 19th, 1775" will be presented at the Robbins Memorial Town Hall for the children. The play will consist of ten episodes, narrating the history of Arlington. Sunday evening at 8:15 p.m., the pageant will again be presented for the general public.

Monday evening at 8:15 p.m. the pageant will again be presented for those who could not attend on Sunday.

Tuesday night, the United States Marine Band, by an act of Congress of the United States, will give a concert at the Warren A. Pierce Stadium in back of the High School (Continued on Page Two)

KEENAN —

Representative Keenan is the President of the Arlington Kiwanis Chairman of the Arlington District Boy Scouts, and Executive Board Member of Schem Council, B.S.A. He is also a director of the Arlington Auxiliary Police, the organization that sponsors the Arlington Youth Association. He has been active in the Community Fund, acting as Chairman of Publicity for the organization and has taken part in many of the civic drives for the benefit of the Symmes Arlington Hospital, Red Cross, Salvation Army, and March of Dimes. It is his intention to continue his active work for many other improvements in the general area.

He has proposed to the M. D. C. that a traffic circle be established at the junction of the Alewife Brook Parkway and Mass. Ave. and another traffic circle to be established upon the completion of the present sewerage project that is to eliminate pollution from the Alewife Brook and Mystic River. The present pumping station is to be taken down and a new one located nearer the banks of the Alewife Brook which will enable the M.D.C. to construct this traffic circle.

He has been promised twenty-five new streetcars to be delivered shortly to run between Harvard Square and Arlington Heights. It is his belief that, with the cooperation of the state, county and town officials, much of the traffic can be directed around Arlington to relieve the traffic congestion in Arlington Center by the authorities taking advantage of the complete set of state, county and M.D.C. roads around the Town.

Representative Keenan has been informed by the Department of Public Works that the resurfacing of the unfinished parts of Massachusetts Avenue will be started shortly. This will give the town a smooth, clean highway through the center of the town.

Two local men, Jim Mac Neil and Bob Max received quite a thrill Saturday night, when they were asked to participate in the Metropolitan Opera selection of Verdis Aida at the Boston Opera House.

The proud grandmother is Mrs. Mary C. McCaffery of 40 Hilton st., Arlington.

During this exercise the Governor's proclamation will be read and the invocation and address will be given by the Rev. John Nicol Mark, chaplain, Arlington Post 39 American Legion. A wreath will be placed on the monument by the Daughters of the Revolution followed by a volley from the firing squad and "Taps".

The Patriots Day Parade will form at Appleton Street at 9:00 a.m. with five divisions including the military, Patriotic, Civic, Service, Fraternal, Municipal and Youth organizations. The route, somewhat shortened over the previously announced will proceed down Massachusetts ave., past the reviewing stand with the Governor, Mrs. Edith N. Rogers and other celebrities down to Wyman Terrace, where it will disband. The parade led by Chief Marshal Joseph Peterson, will get underway at 9:30 a.m. The riders from Boston "Paul Revere" and "William Dawes Jr.", will be greeted at 12:00 noon by the sounding of the Fire Whistle 1-7-75.

Wednesday evening the four day show will come to an end with a bang. There will be a band concert at Spy Pond Field by the Arlington Conservatory of Music, followed by a gigantic fireworks display at 7:30 p.m.

QUICKIE QUIZ

FOR SPORTS FANS

Not every hunter has it as easy as this fellow who's taking his game home the better way—via ski lift! However, the Colorado sportsman knows the answers to tougher ones—such as the questions Gail Borden and Jeff Bryant of Mutual's Thursday "Sports for All" are fond of confounding their non-sports friends with. For example: (1) To a hunter, would the word "lands" mean the area which he's roaming, or a part of his rifle? (2) Would chewing gum, after chewing and shaped as an angleworm, work as bait on a hook for lake bass fishing? (3) Which of these are known as "gnawing mammals"—beaver, muskrat, prairie dog? (4) Was the largest rifle cartridge ever produced in the U. S. .80, .44, .58 or .45 calibre?

ANSWERS:

(1) Both. "Lands" in a rifle are the raised portions of the rifling. (2) Yes. Still being done by youngsters in New England Lakes. (3) All three. (4) .58 calibre.

CAR DAMAGED

Sunday afternoon, the car of State Representative Henry E. Keenan was damaged, the result of a hit and run driver.

It was reported that a 1939 Ford coupe smashed into the front of Mr. Keenan's car, near 801 Mass. ave., damaging the left front fender, bumper and grill work. The hit and run car then raced up the ave. towards Lexington.

KEEP OFF AVENUE

The Patriot's Day Committee requests owners of cars not to drive near the parade route on next Wednesday. If you are planning on taking your car to the parade please park in a good distance from the avenue.

The parade will start at Appleton street at 9:30 a.m. and proceed down Massachusetts avenue to Wyman Terrace where it will disband.

Rams Take Park Title

The Arlington Czars and the St. Agnes Rams tied for first place in the Church Basketball League after league competition had officially ended, participated in a Play Off game last Tuesday night April 4th, at the Arlington High School gym to determine the champion, of the town, in basketball.

In a very closely contested game the Rams defeated the Czars by a score of 42 - 31. Crowley and Cronin for the Czars, and Bowler for the Rams were high scorers for the evening with eleven (11) points each.

This Play Off game officially ends the Church Basketball League sponsored by the Park Department for the season and the St. Agnes Rams have been officially crowned the Town Champions

Ban Drive-In In Cambridge

A decision not to rezone 11 acres of land off the Concord Turnpike North Cambridge, from residential to business, was recorded yesterday by the Cambridge Board of Appeal, thus refusing the Arlington, Belmont, Cambridge Realty Co., the right to build a drive-in theatre on that site.

The board stated that a flow of 100 automobiles in and out of the proposed theatre would create a serious traffic hazard and would be a danger to the public. The decision continued that the land was zoned as a residential area and it was felt the company did not have a hardship.

Representative Henry E. Keenan, speaking before a Joint Meeting of the Cambridge and Arlington Kiwanis Clubs at the Hotel Commander in Cambridge three weeks ago, urged the Cambridge Kiwanis Clubs as a unit to oppose this drive-

in theatre. The reason for their action in this matter ties in with the fact that the Kiwanis Clubs of the 5th Division, as a public service project, were recommending that the Concord Turnpike be extended from the Alewife Brook Parkway to Lechmere Square and were also working on the extension of the Harvard Square subway to North Cambridge.

At the request of Representative Keenan, Mr. J. Henry Quinn, President of the Cambridge Club, read the following statement before the Board of Appeals at the date of the hearing:

"In answer to many requests received by me from people in Arlington living in my 28th Middlesex District, I am voicing their objections to your granting a permit for an open air theatre on land recently acquired in Cambridge, located in the vicinity of the Arlington-Cambridge line. Their main reason for objection seems to be that this will cause an additional traffic hazard from cars entering this area from the Concord Turnpike and leaving the same. Within the past six months, a young man was killed in front of the Bowladrome and another seriously injured and it is their feeling that places of amusement located just off of a main thoroughfare of this type are extremely dangerous.

TRINITY COUPLES CLUB TO HEAR DR. HERBERT GEZOK

Mr. William Bartell, President of the Trinity Baptist Couples' Club, has announced that the speaker for the next meeting will be Dr. Herbert Gezok, outstanding world personality. The meeting will be held at Trinity Baptist Church, Sunday, April 16, at 8:00 p.m.

Dr. Gezok is Professor of Christian Sociology and World Relations, at Andover Newton Theological School. He has also lectured at Wellesley College. A native of Germany, he came to the United States in 1936, and became an American Citizen in 1943. His record of service in the recent war is outstanding, being sent to Germany on two different assignments by the U. S. Government. His second assignment was as Chief of Evangelical Affairs in the American Zone of Berlin. Prior to the Hitler regime, Dr. Gezok was General Secretary of the German Baptist Youth Movement.

President Bartell further announced that, due to the outstanding importance of this speaker and his timely message, he has declared this an open meeting for the entire Church, and Community at large. A cordial welcome is extended to all members and friends of Trinity Baptist Church, to be present, and hear this excellent speaker.

Congratulations are extended to Mr. and Mrs. Alexander Dziegiel (the former Clair McCaffrey) of 42 Hilton st., Arlington, on the birth of a daughter, Kathleen Marie, March 29th at the Symmes Arlington Hospital.

of East Arlington and Belmont feel that there is greater public use for all of this land other than that of a drive-in theatre.

Therefore, speaking for these people I wish to register my opposition to the granting of this permit."

Professors Are Promoted

Promotions on the faculty of the Massachusetts Institute of Technology which will become effective July 1st were announced today by Dr. James R. Killian, Jr., President of the Institute.

Members of the faculty who have been promoted to the rank of full professor include Dr. Albert G. H. Dietz of Winchester, department of building engineering and construction.

Assistant professors who are promoted to the rank of associate professor include Professor Myle J. Holley, Jr., of Arlington, of the department of civil and sanitary engineering.

Promotions of instructors to the rank of assistant professor include Sidney Lees of Arlington, department of aeronautical engineering.

Entertains Garden Club

Mrs. John J. Cox, president of the Arlington Garden Club, entertained the members of her executive board at luncheon last Tuesday at her home, 11 Appleton st. Beautiful spring flower arrangements adorned the coffee table and buffet, and the place favors were

tiny, colorful plants in plastic containers. A board meeting was held after the luncheon. Those present besides Mrs. Cox, were Mrs. Arthur H. Pulsford, Mrs. George E. Ham, Mrs. George B. Keogh, Mrs. Emmons F. Wylie, Mrs. Reginald Bowman, Mrs. Douglas L. Forbes, Mrs. Francis J. Davidson, Mrs. George E. Rogers, Mrs. Frank H. Robbins and Mrs. George J. Gottwald.

"Hopalong Cassidy," America's
favorite cowboy, will take a Sun-
day afternoon ride along the Mu-
tual Broadcasting System trail in
1950 when the weekly air show,
starring Bill "Hoppy" Boyd,
makes its network debut on New
Year's Day. A hero of 28 novels
and 66 motion pictures, "Hopalong"
has been thrilling the American
public since his mythical birthday
in 1907 when actor Clarence E.
Bulford first invented him. "Hop-
along" remained strictly in the
printed version until 1934 when
Hollywood stepped in and unreel-
ed the first cinema version of his
heroic exploits. Originally cast as
the villain, Boyd talked his way
into the title role and has never
since been seen on the screen as
anyone but "Hopalong Cassidy."
As one producer said: "Casting
Boyd as anything but 'Hoppy'
would be as bad as having Santa
Claus play 'Hamlet.' His personal
life has been affected, too, to the
extent that Bill now dresses in
Western garb almost all his waking
hours. Fame and popularity of
"Hopalong" have grown so that
now a separate corporation, "Hop-
along Cassidy Enterprises," has
been set up to handle tie-ups with
comics, clothing concerns, toy
makers, et al. Starting the New
Year with a bang, "Hopalong" will
mount his famed steed, "Topper,"
take out his trusty six-shooter and
set off on a radio ride that will
win him legions of new fans.

**Junior Woman's
Club Enjoys A
Noted Hypnotist**

The regular meeting of the Ar-
lington Junior Women's Club was
held on April 3rd at the Junior
Library Hall of the Robbins Li-
brary at 7:45 p.m. James McAvoy,
Hypnotist, one of America's top
entertainers, was the speaker for
the evening. He completely facin-
ated the group by displaying his
skill on several members of the
club. It was amazing to see the
girls do exactly as he directed
while under his power. The best
subject of his powers seemed to
be Lorraine Poole. Just the sound
of his voice, put her to sleep.

The Chorus also performed at
this meeting. They sang "Younger
than Springtime" and "Easter Bon-
net". Jean Sullivan and Lorraine
Poole also sang a duet called "Sym-
pathy". Girls participating in the
Chorus included Clair Sexton, Phyl-
lis Merrill, Eleanor Beck, Dot
Robertson, Gerry Merrill, Irene
Lopes, Lorraine Poole, Joan Sulli-
van.

Guests at this meeting were of
course Mothers (since this was
Mother and Daughter Night) and
also friends of the girls, plus the
past Advisors, Mrs. Walter Sar-
gent, Mrs. Paul Heager and Mrs.
Edwin A. Barnard. We were also
pleased to have three members of
the board of the Senior Women's
Club with us, Mrs. Americo Chaves
President; Mrs. J. Milton Wash-
burn, Vice President; and Mrs.
Chester Ginder, Corresponding Sec-
retary. The Past Presidents were
also introduced and these included
Nancy Heager, Joan Sullivan and
Phil Merrill.

Refreshments were served by the
committee under the direction of
Eleanor Beck and Claire Sexton.

The Vice-President of the Club,
Dot Robertson, gave an outline of
what took place at the Spring Con-
ference on April 1. Several of the
girls attended.

The next meeting of the club will
be held on April 17. Miss Virginia
Drew will speak on Vocations.
Members of the Girls Club will be
invited.

The knitting club had its regular
meeting at the home of Joan Bar-
rett on April 4.

SPRINGTIME IN THE HOUSEHOLD

By Maria Catherine

Don't let too soon to start
thinking about spring cleaning. This
task can be made reasonably simple
if you employ such practical short-
cuts as does Joen Arliss, who must
keep her house cleaning problems
to a minimum because of her fre-
quent radio rehearsal and acting
commitments on such Mutual net-
work programs as the weekday "I
Love a Mystery" programs.

Being comfortably clad in of
prime importance, so our Joen dons
slacks or shorts when tackling these
chores. Then, with pad and pencil
in hand, she goes through the house
listing everything to be done in
each room. After that, as a supple-
ment to the list, she notes down all
of the equipment and supplies she
will need, basic ideas for which are
offered here for your guidance. In-
cluded are bottled ammonia, bleach,
gum turpentine, liquid cream wax,
furniture polish, liquid detergent,
window cleaner fluid, vinegar, floor
wax, rug and upholstery cleaner and
insecticides.

If you have more than one floor
to deal with, here's a time-saving
tip. Fill an old hat box with dupli-
cates of your ground floor equip-
ment—cloths for washing and dust-
ing, scrub brush, powders, soaps
and pans. You'll save many a trip
up and down the stairs for those
forgotten props. You may find too,
as has Joen, that household am-
monia can be used as an effective
cleaning aid wherever soap and
water is used. And when it comes
to woodwork, she suggests you try
this ammonia formula. One cup of
household ammonia, a half cup of

vinegar, a fourth of a cup of bak-
ing soda and one gallon of water.
You won't have to do any rinsing.

Easy Taskmistress

Just use a sponge or rough cloth.
The solution loosens the dirt, dis-
solves grease, softens water and
saves soap.

The shortest cut to happy house-
cleaning she adds, is to tackle one
room at a time. And it's a good
idea to take an occasional rest pe-
riod, stopping to renew your energy
by drinking a glass of milk or cup
of tea. In final admonition she ad-
vises that you might do well to
change your shoes occasionally dur-
ing the process of cleaning so you
won't be tired at the end of the day.

Chief Warns Of Spring Dangers

"Little Feet Can Lead To Big Troubles". That was the warning issued today by Chief Archie F. Bullock as balmy April weather lured droves of Arlington's small fry onto streets and playgrounds.

"Sheer childish exuberance and thoughtlessness," he said, "make April, with its nice weather a hazardous time for children, an anxious time for parents, and a responsible time for motorists."

Chief Bullock explained that when Spring first invites children's outdoor activities four or five months of pent-up energy are unleashed suddenly and safety training learned in the Fall may have been largely forgotten.

"Motorists must realize that children are likely to be unpredictable and irresponsible," he said.

"Responsibility must, therefore, be assumed by motorists and parents." The knowledge that he may not be legally responsible for an accident involving a child would be small consolation to any driver, the Chief pointed out. The parent's remorse will always stem not from what he did, but from what he did not do. It is the parent's obligation to teach his child safe traffic habits and the motorists' responsibility to give the child the benefit of his most careful driving.

Arlington's program of traffic safety education for April has as its theme, Child Pedestrian and Bicycle Safety.

"Play safe. Walk safely," Chief Bullock said, "is our slogan for this month's program. It is one that we must impress on the minds of children, parents, and motorists. Arlington doesn't have one child to spare as an accident victim."

Bridge Party Next Tuesday

Mrs. Stephen Keefe is the chairman of the bi-weekly bridge and whist party of the Arlington Catholic Woman's Club to be held in American Legion Hall on Tuesday afternoon, April 18 at 2 o'clock. The following committee is assisting:

Miss Helen Keefe, Mrs. Bernard McLaughlin, Mrs. Walter McLean, Mrs. Arthur McMahon, Mrs. Joseph McMath, Mrs. George McMenimen, Mrs. John McMullen, Mrs. Walter Mutz, Mrs. Christopher Nolan, Mrs. Edward Norberg, Mrs. O'Brien, Mrs. Edward O'Brien, Mrs. Patrick O'Brien, Mrs. William O'Brien, Mrs. Kieran Lowry, Mrs. Alvin Lynch, Mrs. Walter McCarthy, Mrs. Harold Magurn, Mrs. Charles Magurn, Mrs. Thomas Magurn, Mrs. Edward Manning, Miss Alice McCarthy and Mrs. Frederick McCall.

Revere Letter At Library

For the people in Arlington one of the most interesting items in the Robbins Library exhibit honoring the nineteenth of April is the facsimile of Paul Revere's letter, written about 1795, in which he describes his famous ride. This is, in part, his account:

"The Sunday before, by desire of Dr. Warren, I had been to Lexington, to Messrs. Hancock & Adams, who were at the Rev. Mr. Clark's. I returned at night thru Charlestown; there I agreed with a Col. Conant, & some other Gentlemen, that if the British went out by water, we would show two lanterns in the North Church Steeple, & if by land, one, as a signal, for we were apprehensive it would be difficult to cross the Charles River, or get over Boston neck. I left Dr. Warrens (the man who summoned Revere on the evening of the 18th and asked him to ride), called upon a friend, and desired him to make the signals. I then went home, took my boots and spurs out, & went to the North part of the Town, where I had kept a boat; two friends rowed me across the Charles River, a little to the eastward where the Somerset man-of-war lay. It was then young flood, the ship was wind ing, & the moon was rising. They landed me on Charlestown side. I set off upon a very good horse; it was then about 11 o'clock, & very pleasant. After I had passed Charlestown Neck, I saw two men on horseback under a tree. When I got near them I discovered they were British officers. One tried to get ahead of me, & the other to take me. I turned my horse very quick & galloped towards Charlestown Neck, and then pushed for the Medford Road. The one who chased me, endeavoring to cut me off, got into a clay pond, near where the Tavern is now built. I got clear of him, and went thru Medford, over the bridge & up to Menotomy. In Medford I awakened the Captain of the Minute Men; & after that, I alarmed almost every house, till I got to Lexington. I found Messrs. Hancock & Adams at the Rev. Clark's; I told them my errand, & inquired for Mr. Daws (the Messenger Dr. Warren had sent by land). After I had been there about half an hour, Mr. Dawes came; we refreshed ourselves, and set off for Concord, to secure the stores, etc. there. We were overtaken by a young Doctor Prescott, whom we found to be a high Son of Liberty. I told them of the ten officers that Mr. Devens

MINUTE-MAN AUTOMATIC CAR WASH

Serving Middlesex County

The manner in which this new establishment known as the Minute Man Automatic Car Wash has in a very short time, met with the full approval of all motorists who have availed themselves of these services, tells its own story of success in giving outstanding services, and definitely bears out that old adage of "you have got to put in to take out." This statement is made in reference to the fact that a great deal of money was spent in the construction and the equipping of this place to make it one of the very finest of its kind in all New England, and is now paying off.

This is definitely the day and age of Machines, the Minute Man Automatic Car Wash, located nearby in Somerville at 598 Mystic Avenue certainly proves this to us very convincingly, because it is a fact

met (this is the information that Revere had received upon landing in Charlestown), & that it was probable we might be stopped before we got to Concord. I likewise mentioned, that we had better alarm all the inhabitants till we got to Concord; the young Doctor much approved of it, & said, he would step with either of us, for the people between that & Concord knew him, & would give the more credit to what we said. We had got nearly half way; Mr. Daws & the doctor stopped to alarm the people of a house: I was about one hundred rods ahead, when I saw two men, in nearly the same situation as those officers were, near Charlestown. I called for the Doctor and Daws to come up. In an instant I was surrounded by four. The doctor being foremost, he came up; & we tried to get past them; but they being armed with pistols & swords, they forced us to the pasture;—the Doctor jumped over a low stone wall, & got to Concord."

Revere was captured and led back to Lexington by the British officers who, after taking his horse let him go. He "Went across the burying-ground, & some pastures" and got to the Clark House again where he told Adams and Hancock of the encounter. He then helped them escape to Woburn. He makes no further reference in this letter to "Mr. Daws".

LOMBARD LUMBER CO.

Lumber — Building Materials

Because of our error in naming the management of this firm last week, we are again pleased to include in this Review of outstanding business establishments as seen thru the eyes of the press, this firm the scope of whose activities extend not only throughout Stoneham, but also all the entire surrounding towns and communities as well.

This good-going firm, the Lombard Lumber Co., located in nearby Stoneham at 35 Pomeworth Street, telephone Stoneham 6-0098, has always kept pace with the march of time in the lumber and building materials field, adopting all those innovations and developments having for their objective the broadening of its range of usefulness to those whom they serve. As a result, this lumber concern has won for itself, in the comparatively short time of 4 years, a measure of patronage which constitutes a tribute to the soundness of the principles which guide its operations.

Because of their extensive source of supply and too, the complete knowledge of every phase of this business, advantageous buying enables the public to purchase lumber and building materials at prices which represent appreciable savings at all times. As a matter of fact, it is a matter of record that the Lombard Lumber Co., has made many friends as well as patrons throughout this section of the state because of their straight-forward methods of doing business, and this, no doubt, is a whole lot responsible for the very evident success of this firm.

The management maintains "Service" as one of the watchwords at the Lombard Lumber Co., Inc., and if you will telephone them or drop in at their establishment, we are sure that they will be more than pleased in aiding you in figuring your needs etc., and they will indeed do their utmost in seeing to it that you get everything you want, really a complete service in every detail.

TO PLAY TRUMPET

Murray Rosenthal of 63 Robbins street has been selected to play trumpet with the Brass Choir, which will be one of the highlights of the "Montage of Modern Music" concert to be conducted by the Schillinger House School of Music Sunday, April 30 at John Hancock Hall, Boston.

Laying The Groundwork

Lots of people living in cities are interested in farming only to the extent that they like a good meal of good meat and good vegetables. Other metropolitans have that sometimes realized dream of one day owning their own acres to cultivate. But the "Man On The Farm," just like the men and women of agricultural accomplishments on the Mutual network's Saturday program of that name, have to do more than eat and dream. They have to think and act at the right seasons of the year, as well as eating and dreaming too.

Their dreams and hopes out there in the countryside are perhaps of a new tractor or a better way of rotating crops or—well 'twill be ever thus. And you can take it from Fulton Lewis, Jr., who is as serious about his avocation of farming as he is about his MBS weekday commentaries, that it was always thus. With his ever-inquiring mind, he has dug into the past history of farming and comes up with these observations concerning what is exactly new under the sun as far as raising edibles is concerned. For example, he notes, a typical Egyptian farm of 3,000 years ago had a mansion with apartment accommodations, fish ponds and game preserves. It had a farmyard with cattle sheds and stables for carriage horses.

There were, of course, many lapses of progress, Chuck Acree, "Man On The Farm" master-of-ceremonies observes, in the development of agriculture—progress which was stagnant particularly during the Dark Ages of Europe. And even in England, it wasn't until around the end of the reign of Henry VIII (1547) that any salads or edible roots were grown for purposes of human sustenance.

BOY SCOUTS

With the age limit lowered there is a new and eager group of boys enrolled in the St. Agnes Pack 7 Cub Scouts. At a recent Pack Meeting here were a number of awards made to the following: John Pasquale, Philip LeBanc, James Doherty, Charles Guanci, Robert Kirschner, Joseph Mahoney, Daniel Callahan and Donald McKinnon who were awarded the Gold Arrow for Wolf Badge. Paul Gastaldini Wolf Badge and Gold Arrow, James Walsh, Gold and Silver Arrow for Wolf Badge. William Butler, William McKeever, Robert Kirby, George Kean, John Comrau, and John Donovan received their Wolf

None the less there was the kind of advancement which sometimes startles people when they realize

Fulton Lewis, Jr. Makes Tractor Tractable

that in that country threshing machines were first run by steam power as early as 1803.

And to wind up irrelevantly, just challenge anybody to tell you that corn it not only the maize which we know in the United States, but also wheat and oats. If you have a good dictionary handy, you can reap yourself a good ice cream soda bet on that one.

Badge. Arthur McMahon the Gold Arrow for Bear Badge and Daniel McLaughlin Bear Badge and Gold Arrow. John Keefe and John Goss the Bear Badge and also Silver Arrow for Wolf Badge. The evening was topped off by a Quiz program with Mr. Richard A. Schmidt our new Cubmaster as Mr. Quiz himself, and the boys completely happy with their prizes of pennies for having made "home-runs" for correctly answering four questions.

A varied program for the balance of the year in handicraft and in entertainment for the monthly Pack meetings is being planned by the Den Mothers.

Harriet Hctor Here This Week

The Arlington Council of Parent-Teacher Association in its Fine Arts Program has combined to give the town's children an appreciation of beauty, beauty in the three basic arts—drama, music and the dance. Every child naturally plays, sings, and makes his own dance patterns, but somewhere on the path to adulthood he needs to be taught to appreciate and enjoy the full-grown forms of the artist. Sudden exposure to adult classics, however, has a tendency to frustrate any desire in the young heart to enjoy or to participate.

The Arlington Fine Arts Program brings to the young people in their own town a yearly program of a play, a Philharmonic concert, and a ballet chosen to have imaginary and emotional quality within their own knowledge and experience. All three programs are correlated with their school work through the cooperation of Mr. Clifford Hall, Superintendent of Schools, and the School department itself.

The Fine Arts Program was conceived through the efforts of Mrs. Hector MacNeil, Program Director who first presented the project to the P. T. A. Council three years ago. The P. T. A. group has always been synonymous for hard working progressive women bent on improving their children's education of which the Arlington Council has given ample proof in its accomplishments of three successful seasons of first rate entertainment at a very low cost to the individual student. Among the many Arlingtonians who have given valuable hours to this project are: Mrs. Jas. R. Boyd, President of the Council; Mrs. Frank L. Lincoln, Chairman of the Fine Arts Committee; Mr. Donald Johnston, Mrs. Norman A. Walkinshaw, Mrs. Albert R. Porteus, Mrs. George Walker, Mrs. Walter S. Coledge, Mrs. Jack Donaldson, Mrs. Maurice King, Mrs. J. Philip Bower, Mrs. George Ham, Mrs. Harvey C. Abbott, Mrs. Keith Milne, Mrs. William Staples, Miss Bernice Dodge, Mr. A. Henry Ottosen, Mr. Lawrence J. Mantyla and Mrs. Leo Litwin and Mr. L. Hassler Einzig. Each elementary school and junior high school has a Fine Arts chairman. These included Mrs. Leo Litwin, Mrs. David Gersh, Mrs. Fozzi Cahaley, Mrs. Herbert Wallace, Mrs. Joseph Gaudet, Mrs. Malcolm Masters, Mrs. Norman Haley, Mrs. Robert Sedoff, Mrs. T. Joseph Cody and Mrs. Frederick L. Reynolds and Miss Doris Pettingill.

This week the PTA council will finish this season of its Fine Arts Program with the premiere of Harriet Hctor's original ballet based on Masterlinck's "Bluebird". This children's classic adapts easily, is well known to the audience and is delightfully humorous.

"The Bluebird" also carries the child's conception of the dance from that of a disrupted series of solo dances to the continuity of the ballet as an art form capable of telling a complete story. The entire ballet is danced by young people of the age of the audience which serves to bring the audience closer to the ballet as something possible for them to accomplish themselves. The little girl, Mytil, is danced by Ann Stevens, the little boy, Tytil by Jerry Jesskin and Light by Lucia Lambert.

Miss Hctor who created the "Bluebird" Ballet is the head of the Harriet Hctor Dance Studio in Boston. She studied in New York at the Chalf School and the Taracoff School. She has starred in the "Ziegfeld Follies," Earl Carroll's

Vanities, "The Three Musketeers," "Showgirl," "Bow Bells," "Casa Manana," and other productions, in addition to the moving pictures. Speaking of Miss Hctor, Ziegfeld said, "She is our American Pavlova." Walter Winchell said, "Harriet Hctor's exquisite terpsichore stopped the show but she invariably does anyhow."

There will be three performances of the ballet at the Junior High East Auditorium in Arlington. The first for the senior group will be at 7:30 pm, Friday April 14, 1950; the second, for the Junior High school group at 2:30 p.m. Saturday, April 15, 1950; the third, for the grade school age (and under) at 10:30 a.m., on Saturday April 15, 1950.

Boys Club Enjoys Easter Egg Hunt

Intense excitement reigned at last Saturday's Easter Egg Hunt. A huge crowd of 425 midget and junior members filled the Pond Lane Clubhouse eagerly awaiting the starting signal.

Henry Ottosen, Hunt Master, remarked on the extreme efficiency and orderliness of the boys as they thoroughly scoured the club for eggs. The boys were assembled in the large gym for a brief review of the rules and then released to start looking for hidden eggs in the lobby, Television Room, stairway, Junior and Intermediate and Senior rooms.

In all some 20 eggs, ranging from the Gold to the Frosted Pink were found by the youngsters as they surged through the roominess of the building. Excited shouts as an egg was found spurred the rest of the boys into greater efforts to find an egg one of the 20 prizes.

Hunt Master Henry Ottosen was assisted by the following staff members: Jim Kenealy, Austin Welch, Dinny Shea, Jim Cumner, Tom Sousa, Jackie Bowler, Dana Kuhn and Mrs. Sumner.

After all eggs were found the boys returned to the gym for a program featuring a puppet story by Bob Munstedt and portrayed by a group of So. Boston Boy's Club members. Movie shorts were shown and each boy at the club received a bag of jelly eggs as he left the clubhouse at the conclusion of the morning activities.

Names of prize-winners are as follows: Gold Egg, Paul Parr age 11, Silver Egg, Billy Doherty, 10, ed Egg, John Goss 10, Green Egg, James Tiro 12, Blue, Richard Morris, Black, Larry Fudge, 10, Blue-brown, John Malloy 13, Dopey, Dennis Higgins 7, Red-White, Ralph Hayes 11, Easter, Art Aulenback, 12, Black-White, Bob Ward 13, Pink, James Black, 9, White, Wm. BADMINTON AT LEXINGTON

On Saturday, April 15th a group of local badminton players will engage in a skirmish against the Minute Men of Lexington at the Lexington High School gymnasium in a program being sponsored by the Lexington Tennis Association.

Among those from Menotomy who will represent the British "Redcoats" are Arthur Wells, Jack Conant, Bob Walsh, Rollie Robbins, Ruth Whitney and several others.

Prior to the match, an exhibition of singles and doubles play will be given by Jack Brewer, Jr., of Arlington and John Kevorkian of Watertown against Jim Arima, recently crowned First Army singles champ at Fort Dix New Jersey and Stan Taylor, both of Lexington.

Brewer is the present State Jr. king while Kevorkian, only 12 yrs. of age, is one of the most promising badminton youngsters in New England. Play will begin at 3 p.m. and the public is invited. There is no admission charge.

Dog Clinic Next Week At Schools

The annual Dog Clinic, sponsored by the Board of Health of the Town of Arlington, for inoculation of dogs against rabies, will start next week.

On April 17, the clinic will be conducted at the Crosby School, on April 18, at Russell School, April 20, at the Brackett School, April 22, the Pierce School. Hours are from two to five p.m.

The law governing inoculation reads as follows: "No person residing in the Town shall allow any dog belonging to him to run at large in the town unless said dog shall have been inoculated against rabies at some time during the previous twelve months."

TO RESURFACE ROAD

Representative Henry E. Keenan was informed this week by the M. D. C. that a short stretch of roadway known as Coral street between Beacon street and Park, Arlington, is to be resurfaced.

SELECTMEN ISSUE PLEA FOR CANCER FUND GIFTS

The Massachusetts division of the American Cancer Society will campaign for \$530,166 in this state during April. The money collected will be used for one purpose—to save lives, not only in our nation and our state but in our own community.

Statistics say more than 8500 persons will die of cancer in Massachusetts in 1950, unless extraordinary efforts are made. The Cancer Society is fighting our battle to save as many of these lives as is humanly possible.

Through major money grants to our research centers, where experts strive constantly to learn the key to curing cancer, through service and through an educational program designed to are potential victims with a knowledge of the necessity for quick seeking of medical aid, the Cancer Society is battling our most feared killer.

The job ahead is a tremendous one...and we of Arlington have a tremendous stake in it. Who in Arlington, for instance, has not had a friend or loved one who has suffered cancer? This is our problem, and the Cancer Society is fighting

A successful battle requires ammunition and in this case, the ammunition which will save thousands of lives is our dollars. We beseech you, with all the earnestness at our command, to give generously and immediately to help conquer this terrible killer.

THRU THE EYES OF THE PRESS

CORSI'S GULF SERVICE STATION

Evinrude Sales & Service

The standing which any establishment attains in the mind of the consuming public, is necessarily based upon the quality of the products which it sells, their performance and the relations maintained with their patrons.

Judged upon these standards, Corsi's Gulf Station has certainly earned a high rating among motorists throughout this area. Ever since the inception of this business, under the very capable management of Al Corsi, this service station has successfully catered to their wants and needs by providing motive fuels and lubricants in which are embodied those essential elements that make efficiency, quicker starting, and smooth running action, and which have the reputation of being kind to your motor.

By another, these "motive fuels and lubricants" are known as the well-known Good Gulf Products used by the careful motorist who likes to get high performance from the car he or she drives. And it is a well known fact that they do fill the bill.

But that is only a part of the story of the services so well rendered to the many satisfied patrons of Corsi's Gulf Service Station for

the up-to-date facilities available here to keep your automobile in first-class running order, add important touches to the full picture. Featuring specialized lubrication you will find this station excellent. Equipped to completely lubricate your car, according to the requirements of each season as it rolls around. With the shortage of new automobiles, the value and importance of good lubrication to preserve a car's life and usefulness becomes increasingly important. Other important features of this fine local service station are the selling of tires, batteries, etc., in addition to the excellent washing and polishing job as done here, and last but not least, as sales and service for Evinrude Outboard Motors and the expert repairing and storing of all makes.

One of the most modern and good looking service stations in this section, its equipment and facilities match its appearance. Located at the corner of Mystic and Summer streets, here in Arlington, you will find your visit here both pleasant and profitable, and it is a pleasure to include this account of its attractive merits for the benefit of all our readers and friends.

BURKE TELEVISION COMPANY

Sales & Service for Philco Radio & Television

The purpose of this business review is naturally to show a cross-section of the better services available to the people of Arlington.

The Burke Television Co., here in Arlington is, in our opinion one of the better concerns of its kind and has very definitely proven to be outstanding in this area in its own particular field, and for this reason alone would merit attention in any review of this nature. Therefore, we could do nothing else but give a public nod of approval to this good going local company known as the Burke Television Co., here at 125 Massachusetts Ave.

In this day and age of specialization, whether it be in the medical profession or in any other type of business, it has come to pass that many of us when in need of a very definite service we automatically seek out the specialist in that particular field. Now it seems that this business of servicing radios and television is most intricate not to say confusing, and so particularly in this line must we be careful in the selection of a service man, one who really has made an extensive study of this business and who definitely knows what he is doing, and when you take into

consideration that Television today is not a minor item but rather costly, we are sure that our readers will agree with us.

The Burke Television Co., under the capable direction of Edward P. Burke, is definitely one firm which does merit consideration at all times. As a matter of fact, this writer knows of cases where this firm has been called in to repair radio and television sets after others in this same line of business have been unable to give satisfactory results and in every instance has corrected the fault in the set, and all this at no extra cost, but rather at very reasonable rates. May we say at this time that with the factory trained experts on hand here, it is no wonder that satisfactory results are attained at all times.

Therefore, if you are in need of supervision or corrections either in your radio or television, or the purchasing of a new set, we would suggest to you by all means to telephone ARlington 5-0624 or 5-8640-M, and take advantage of their efficient pickup and delivery service. You will find that your troubles will be promptly taken care of by the Burke Television Co.

MARGARET M. LONG

Real Estate

We are of the opinion this Business Review of firms and individuals who deserve public mention from time to time, would be entirely lacking without calling attention to one pertaining to that very important field of real estate. As a matter of fact, it is extremely important to talk about at this particular time because of its present fluctuations, and, it might be said, of its rather unknown quality to the public at large. For this reason, we are doing justice to our readers in bringing forward the name of this excellent real estate agency, one that is in a position to be most helpful as to questions and problems pertaining to real estate.

Mrs. Margaret M. Long with offices located here in Arlington at 3 Lowell Street, has very definitely been most active in the past ten years in the development of this community and, as a matter of fact, throughout surrounding communities as well. Many pieces of property have passed through her hands in a manner most satisfactory to her large clientele. However, because of the uncertainty of values, the buying and selling of real estate

requires much thought and expert advice. For example, and individual desiring to sell his property must decide on what price to ask for. He may be rather bewildered by the various stories he has heard in reference to the large profits others have made in the selling of their real estate, and, as a result, he, too, decides on an unfair figure, with the result that he loses a good deal—and misses the boat, so to speak. However, if the seller were to consult with an expert such as Margaret M. Long, and get her opinion and advice, the owner of the property would receive an honest and fair price and quick action too.

The operations of Mrs. Long are by no means confined to this area, for she has buyers and sellers throughout many other areas, so it is quite evident that one will receive fast action. Therefore, it is this writer's suggestion that in matters of real estate to telephone ARlington 5-8274 and make an appointment to talk over your problems with this efficient real estate office.

ADAMS REST HOME & NEW ANNEX

Nino Alessandrini, Prop.

Perhaps there is no other institution of its kind in this section of the state which warrants a public pat on the back, so to speak, than this very deserving and most progressive establishment known as the Adams Rest Home, for it is a fact that Mr. Nino Alessandrini, the capable proprietor and supervisor, and who by the way, lives right here in Arlington at 129 Lake Street, has gone to a great deal of expense and trouble in supplying the citizens of this area with very possibly the finest and best equipped Rest Home to be found in this locality.

The Adams Rest Home, located in nearby Somerville at 26 Adams Street, has very recently added on an Annex which contains 16 more beds, in addition to the 25 beds in the main building. These particular beds, by the way, for the greater comfort and safety of the guests were especially made to order, of steel construction and made so that they can be used for patients who are up and around, and also as hospital beds in the event of any

We want to compliment Mr. Burke upon the high efficiency of his services and upon the reputation which his firm has gained in this highly specialized field.

service fed from a 12 inch circulating city main, absolutely approved by the New England Fire Ins. Assn. in compliance with the standards of the National Board of Fire Underwriters, the only one so equipped, as far as we know, in this area. In addition, built in accordance with the Public Safety Department is a metal fire escape and with six standard approved fire extinguishers with fire hose off main riser on three floors, and also three first aid stations, one can understand that the guests here are not only easy in mind but actually safe from any catastrophe of fire.

Five halls are equipped with automatic emergency lights against the event of the failure of city service power. The building itself is thoroughly insulated, with metal self-storing combination storm windows and screens. The heating system consists of two automatic oil fired boilers—one steam and the other with forced hot water to provide plenty of heat to keep the patients warm and comfortable at all times. Last but not least, are tiled bath-rooms with modern automatic bed pan sterilizer. There is no doubt but what the Adams Rest Home merits the distinction of being the only one in Somerville which fully complies with the City Ordinances, and of course is licensed by the State.

Alf in all, the Adams Rest Home has gone a long way since its beginning March 7, 1942, and it is no wonder that with registered nurses in attendance at all times, and doctors on ready call if needed, and with meals prepared under the watchful eyes of one very well versed in such needs of the individual patient, that we say it is outstanding and in commending Mr. Alessandrini and the capable personnel we suggest that you pay a visit here at your very first opportunity or telephone Somerset 6-2233 for further information.

emergency.

Then too, Adams Rest Home & Annex have been certified by the State Department of Public Safety because the hazard of fire is protected by a full size automatic sprinkler system, 95 of them in the main building and 41 in the Annex taken care of by a 4 inch water

Nothing takes the place of this Link with Home...

In war, or peace, around the world, your Red Cross serves the men who serve their country.

AN EMERGENCY arises at home. A mother is rushed to a hospital... or a father dies... or a fire destroys a home. The son is needed there at once.

Perhaps he's a soldier stationed in the bleak Aleutians... or a sailor on a cruiser somewhere

overseas... or a marine on duty at some distant outpost.

Wherever he is, your Red Cross helps get him home, after leave is granted, as fast as it is humanly possible—and helps both him and his family after he gets there.

For one of the greatest functions of your Red Cross, vested in it by Congress, is to act as "a medium of communication between the people of the United States and their armed forces."

Your Red Cross acts as a link with home in

other ways, too. In military and naval hospitals... in army camps, navy stations and air bases both here and abroad... your Red Cross provides the touches of home—recreation, comfort, counsel and advice—that mean so much to men in uniform away from home.

By giving now, you can make sure that your Red Cross will continue to serve in time of trouble as a link with home during the year ahead. It's a service that nothing else can replace—and it's in your hands to maintain.

You, too, can help through Your RED CROSS

Letter To The Editor

Editor, Arlington Press,
Arlington, Massachusetts

Dear Sir:

Because I was Chairman of the Board of Public Works at the time when Mr. John E. Donovan brought suit against the Town for wages when, as he admits in his "open letter" he did not work, I feel that I should make a plain statement of facts to keep the record clear in the minds of those citizens who could not attend the Town Meeting; no comment is necessary for those who attended the meeting and heard the whole story.

When Mr. Donovan appeared before the Board of Public Works at their behest in October 1948, he stated very defiantly that he did not work for the Town during those days; he said that he was engaged in painting his new house and contended that inasmuch as Mr. Chest-er O'Brien, who is employed by the Town as a water meter repair man, had kept his (Donovan's) time slips during the period, he (Donovan) was entitled to be paid just as if he had worked himself. The Honorable Justice of the Third District Court disposed of that nonsense in the legal action which Mr. Donovan brought against the Board of Public Works.

Mr. Donovan says in his letter "I have served in the United States Navy for four years during World War II and received an honorable discharge. I have never had a court record of any kind." He then goes on to berate the present Chairman for making "wrongful" statements about him. Those who attended the Town Meeting know that the present Chairman said nothing about his war service and nothing about a court record; on the other hand Mr. Murphy made the emphatic statement that he would not enter into personalities and his attitude was correctly reported in the local papers of March 23rd as follows, "Mr. Murphy also deplored the fact that individual problems and personalities had to come before the meeting in this way."

Mr. Donovan further says, "The increase recommended by the Personnel Board was \$78.00 and not \$195.00 as stated by Mr. Murphy." The fact of the matter is that the motion of the Personnel Board was to change the position of Timekeeper from Grade IX, where it had been placed by themselves in their own report dated only last October 17th, and where the maximum salary, which the Timekeeper is now receiving, was set by themselves at \$2,795.00 per year, to Grade X which, according to their own report would authorize a maximum salary of \$2,990.00; the difference is \$195.00 and not \$78.00 and the Town Counsel has made a formal ruling that the Personnel Board has nothing whatever to do with steps within a grade.

Mr. Donovan also states, "During fifteen years service, no one, not even Mr. Murphy, ever made the charge, privately or publicly that my work was unsatisfactory." The brazen mendacity of that statement can be refuted by quoting just one paragraph of just one of the letters which the Board of Public Works found necessary and therefore unanimously voted to address to Mr. Donovan under date of Nov. 24, 1948, the original of which is in possession of Mr. Donovan, as follows, "Inasmuch as you were informed at the time of your return to the position of Timekeeper that there would be no overtime, your request is hereby denied. Moreover, the Board after investigation is satisfied that you did not work overtime on the days set forth in your memorandum. You are further notified that no person or persons other than town employees shall be allowed to ride in the vehicle assigned to you. Under no circumstances are you to use this vehicle for private business or to travel outside the confines of Arlington unless directed to do so by your immediate superior." Mr. Donovan can publish the entire letter if he cares to do so.

Vocational Pupils Accept Positions

Five seniors in good standing from the Vocational High School are entering industry this week with five Arlington men.

Charles H. Preston, Jr., of 32 Edmund road, is starting this week with the Arlington Buick Company. Robert Keene of 20 Wall street, will be with the Max Knoble Laboratories, 663 Beacon street, Boston. Kenneth Hoyt of 23 Swain street, is working with the Colonial Radio and Television Company, 1369 Massachusetts Avenue, Arlington. Peter Maio of 30 Freeman street

will be with the Patrick Ross Company Cambridge and Arthur Doiron is employed by the Atlantic Refining Company 1211 Massachusetts Avenue, Arlington.

These pupils have completed 3 years of specialized training for their chosen field in industry at the Arlington Vocational High School.

Vocational schools of this type have been substantially aided by Federal and State governments since 1913.

Hadassah In Meeting

A regular meeting of the Arlington Chapter of Hadassah was held at the Academy of Music on Tuesday evening, April 4, 1950. Mrs. M. Berman presided.

Mrs. D. Katzeff spoke on the significance of Passover and explained the various symbols and traditions.

President Berman proudly announced the addition of 12 new members and gave full credit to Mrs. H. Karp, chairman of membership, for her splendid work in this capacity.

"Glimpses of Israel" a report on current events in Israel was given by Mrs. S. Kahan.

Mrs. M. Gerber reporting on Youth Aliyah told of the splendid response to the tablecloth fund-raising project and the sizable sum collected in the Wishing Well.

Mrs. S. Doctoroff, chairman of the Nominating Committee presented the slate of officers and elections were held for the coming year.

A report on Hadassah Supplies was given by Mrs. A. Atkins who told of plans for a silent auction to be held at the next meeting.

A delightful skit entitled "April Showers" was presented with the following cast: Mesdames E. Rhin-gold, M. Hoffman, I. Sholkin, L. Doctoroff, D. Banen, A. Atkins, and H. Karp. Mrs. L. Robbins furnished the musical accompaniment.

Emblem Club Plans Social

On Thursday April 20, Arlington Emblem Club No. 46 will hold its first social at its new quarters, Odd Fellows Hall 661 Mass. ave., Arlington.

A spaghetti supper will be served at 6:30 which will be followed by entertainment and dancing. Officers of the club have charge of the program, headed by Vice-President Minnie Cannistraro who has worked most diligently to make the first affair of new officers a successful one.

Squadron To Meet

The Arlington Squadron of the Air Force Association will hold its social meeting this evening at eight o'clock at the Old Town Hall.

A United Air Lines movie and the film "Stillwell Road" will be shown. Arlington Squadron membership cards will be given to AFA members. New members are invited.

It is a fact that the position of Timekeeper is an unnecessary job, requiring so little effort that a water meter repair man can take care of it and still do his own work as Mr. Donovan by his absences has so clearly demonstrated. The job as it has been set up is a sinecure and an unwarranted position on the taxpayers and ought to be abolished.

Yours truly,
(Signed) Thomas J. O'Neill
Member, Board of Public Works.

Jewish Group To Meet Tues.

The next meeting of the Arlington Jewish Community Center will take place on Tuesday, April 18th at the American Legion Hall, Arlington. Mr. Clarence Richmond will speak on the foreign policy of the United States. The 1951 election slate for officers will be presented. Mr. Eli Reingold, president, will preside. After the meeting a social hour will follow.

DISCOVER OPEN WELL

Monday evening, a probable near tragedy was averted when Deputy Chief Charles Flynn discovered an old open well in a field on Governor's road.

The deputy was attending a brush fire alarm and while crossing the field to the fire discovered the well reportedly similar to that which caused the recent tragedy in California.

The owners of the field were contacted and advised to cover up the well before some small child fell in.
